A close-up photograph of a dark, textured surface, possibly a book cover or endpaper. A diagonal band of lighter, fibrous material runs across the frame. Large, raised, golden-brown letters spell out "EPOCH" diagonally across the frame.

To My dearest  
Friend and teacher  
We learned a lot,  
about myself and  
my field. We've  
had fun together.

I am happy to  
have you for a  
teacher. Good Luck  
with the Juniors

Love

Anne Clary  
S

To Mrs. Michang  
a very nice teacher  
whom I've had the pleasure  
of being in her classroom  
you have taught me a  
lot & will always  
remember you. May  
God bless you.

Valerie Allen

Memories  
Memories are treasures,  
That keep the heart aglow  
Remembering through the years,  
The friends we used to know  
Memories are links of gold,  
Connecting old and new  
Our dearest recollections  
of things we used to do  
Memories are treasured bits,  
Which roam through the mind
